SUBJECT: ESTONIA: AVIAN INFLUENZA DEMARCHE DELIVERED

REF: STATE 52705

(SBU) We delivered reftel points on the International Partnership on Avian and Pandemic Influenza to MFA EU Coordination Division officer (and GOE coordinator for COREPER 1 issues) Kaie Kork on April 4. Kork was unaware of the changes being proposed by the EU for the Vienna IPAPI meeting. She understood that the EU was primarily concerned with ensuring that there was no duplication of efforts on AI. Kork promised to forward gist of our concerns to MFA AI point person Counselor Sulev Kannike (currently in Brussels).
